

14.04.22
DP44WCA

NSG Egertal bei Neuhaus DLFF-0305

Last days of activity with DP44WCA started.

Another after-work-trip brought me to DLFF-0305.

In the middle of the wood settled the station and started at 1431 UTC.

20meters was almost closed, only a few contacts in the log.

Also 30 meters added too much.

So again 40 meter was the main-activity-band.

In total 305 contacts with 36 countries.

Total operating-time 2,5 hours.

Top-countries this time:

1.	Germany	72
2.	Poland	48
3.	Italy	45
4.	France	18
5.	Spain	17
