Nature Reserve Wondreb zwischen
Leonberg und Waldsassen DLFF-0802

In my third activity from DLFF-0802 had the hope to activate this time from the free meadow-area with a better offset, however this time a lot of people there with a dog-competition which covered the whole meadow.

So finally no other choice than to go into the area covered by a lot of trees.

However conditions this time excellent. in 2 hours 11 minutes altogether 316 contacts with 29 DXCC could be done.

Top 5 countries this time

1.	Germany	99
2.	Poland	52
3.	Italy	45
4.	Belgium	18
5.	Czech Republic	11

298 unique chasers made it this time into the log.
Total number of contacts from this area

now raised to 764 contacts with altogether 622 unique hunters.
