Kösseinetal and the next beautiful april day. However conditions not so good than usual.

Had periods with sometimes no caller at all but then reopened again.

Also there low activities on 30 and 20 meters. No good propagations.

Maybe starting window was with 1217 UTC too early selected.

Was there altogether 3 hours, 45 minutes QRV.

In total 407 contacts done with 377 unique hunters in the log, 112 in CW and 295 in SSB.
